**Subject:** Board question-spec for laptop

Hi Barbara,

Engineers laptop so required spec to run AutoCAD. Latitude is business class. Dell list price is \$3298, website sale price is \$2309 and Exceedio price is \$2390.

Included UPS and portable power bank. Patrick's laptop battery blew up and damaged his old laptop. Required increased time for setup because of the additional software install including SCADA, AutoCAD, Adobe Pro, LIMS, MS Project, etc.
